**Library Recommendation Form**

Dear Librarian/Library Acquisition Committee

I would like to recommend *TSW Urology* for our library. Please include it in your next serials review meeting with my recommendation.

My reasons for recommending the journal are as follows:

.....  
 .....  
 .....

Name: .....

Position: .....

Department: .....

E-mail: .....

If your Librarian requires a FREE Trial Subscription to *TSW Urology*, please contact: freetrials@thescientificworld.com

**» Further information on TSW Urology**

Unique to TheScientificWorldJOURNAL – published papers appear in **TSW Urology**, plus in any other relevant domains depending on the scope of the article.

Other domains of interest include:

- » TSW Nephrology
- » TSW Surgery
- » TSW Microscopy
- » TSW Oncology
- » TSW Imaging
- » TSW Endocrinology

See [www.thescientificworld.com](http://www.thescientificworld.com) for further details

**» Authors – why not submit your paper to us?**

**TSW Urology** accepts original research articles, review articles, commentaries and other article types. Special issues based on themed collections of papers are also welcomed. **No need for lengthy online submission procedures - we take personal care of each and every manuscript.**

TSW employs in-house peer-review systems in order to offer authors a personalized and efficient service. Instructions to Authors are available in the 'Authors' section on the left hand menu of our website [www.tswurology.com](http://www.tswurology.com) and you may also download a PDF version for your reference.

All manuscripts, including text, figures, and a cover letter, must be submitted in electronic form. Your covering letter should include:

- » A list of the scientific Domain(s) to which your manuscript is relevant
- » Highlight one Domain that is of most relevance
- » Details of 5 potential referees, including their email addresses
- » Special instructions or notes to the Editor

Submit your manuscripts, figures and covering letter via email to:

Tara Retzlaff  
 Managing Editor, TheScientificWorld (US Editorial Office)  
 Email: [tretzlaff@thescientificworld.com](mailto:tretzlaff@thescientificworld.com)  
 Phone: +(1) 914-763-0909

# TSW Urology

an innovative peer-reviewed online journal

» Formerly the **Digital Urology Journal** of the Harvard Medical School, this new journal provides an international forum for research in the key areas of:

- basic urology research
- stone disease
- incontinence
- oncology
- bladder disease
- pediatric urology
- erectile dysfunction
- minimally invasive surgery

**FEATURES**

- » Top papers - including topical review articles
- » Unique, peer-reviewed navigation
- » A prestigious Editorial Board
- » Published continuously online
- » Widely indexed
- » Special issues
- » Open Choice to publish with Open Access
- » RSS feeds

[www.tswurology.com](http://www.tswurology.com)  
 – a new way of thinking!

## Aim and scope

**TSW Urology** is a new online journal from TheScientificWorld stable of innovative, peer-reviewed journals under the umbrella of TheScientificWorldJOURNAL ([www.thescientificworldjournal.com](http://www.thescientificworldjournal.com)) - the successful forum shaping the future of publishing.

**TSW Urology** provides an international forum for research in the key areas of basic urology research, incontinence, bladder disease, erectile dysfunction, stone disease, oncology, pediatric urology and minimally invasive surgery.

**TSW Urology** accepts original research articles, review articles, commentaries and other article types. It is actively developing a number of Special Issues which will focus on key areas of urological research.

### Special issues

Top scientists are editing Special Issues on topics that matter most:

- Robotic Surgery in Urology
- Superficial Bladder Cancer
- The Management of Small Renal Tumours
- Urinary Incontinence in Children
- Renal Cancer: The Treatment in Metastatic Disease
- Current Treatment of Localised Renal Cancer
- Spina Bifida

### » Editorial Board

All papers are rigorously peer-reviewed by the Editorial Board, supported by TSW's eminent Editorial Network and other expert referees.

#### Principal Editor:

Anthony Atala, Wake Forest University School of Medicine, United States

### » Featured articles include:

**A simple radiological technique for demonstration of incorrect positioning of Foley catheter with balloon inflated in the urethra of a male spinal cord injury patient**

*S. Vaidyanathan, Peter Hughes & Bakul M. Soni*

**Right-Sided Intrarenal Splenosis Mimicking a Renal Carcinoma**

*Jay B. Page, Dean L. Lenz & Carson Wong*

**Pediatric Robotic-assisted Laparoscopy: A Description of the Principle Procedures**

*Carlo Passerotti & Craig A. Peters*

**Robotic-Assisted Surgery for Benign Urological Conditions**

*Declan G. Murphy et al.*

**Histopathologic Outcomes of Robotic Radical Prostatectomy**

*Vipul R. Patel, Sagar Shah & David Arend*

**Isolated Scalp Nodule in Patient with Undiagnosed RCC**

*David Pan et al.*

**Hydatid Cyst of the Adrenal Gland: A Clinical Study of Six Cases**

*Ali Horchani et al.*

**Papillary and Nonpapillary Calcium Oxalate Monohydrate Renal Calculi: Comparative Study of Etiologic Factors**

*Enrique Pieras et al.*

**Superficial Urothelial Cancer in the Prostatic Urethra**

*Peter D. Vlaovic & Elspeth M. McDougall*

**Spontaneous Recanalization after Vasectomy**

*Antônio Marmo Lucon et al.*
